PROFILE

Creative content creator, video editor, and voice-over artist with hands-on experience in short-form video production, social media content, scriptwriting, and media team leadership. Experienced in leading creative teams, developing media projects, producing podcast content, and managing content production from idea development to final execution. Founded and led media initiatives, including a discussion-focused platform, while currently leading a five-member team working on a media page and podcast project. Currently pursuing a degree in Computer and Information Technology at Al-Aqsa University.

WHAT I DO

CONTENT	VIDEO	VOICE	LEADERSHIP

PROFESSIONAL EXPERIENCE

MEDIA TEAM LEAD & CONTENT PRODUCER

SARD — Content Creators | 2026 – Present | 3 months

- Founded and lead a five-member media team.
- Participated in idea-selection and qualification rounds within SARD and successfully advanced through the selection process.
- Currently developing a dedicated media page operated by the team.
- Working simultaneously on the podcast project “What Remains”.
- Coordinate responsibilities, workflow, production planning, and creative development across the team.

FOUNDER & TEAM LEAD

Jadal — Platform for Conscious Discussion

- Founded and managed a team for Jadal, a platform focused on conscious discussion and meaningful dialogue.
- Developed the platform concept and direction and coordinated team responsibilities.
- Organized events and interactive experiences connected to the project.
- Led the team through project development and execution.

SOCIAL MEDIA & VIDEO PRODUCTION VOLUNTEER

Young Hope Makers Organization | 6 months

- Volunteered in the Social Media Department, specializing in Reels video shooting and editing.
- Filmed and edited videos for initiatives, educational workshops, and training courses.
- Participated in preparing, filming, and editing social media content.
- Handled the production process from preparation through final editing.
- Contributed to video editing and scriptwriting for social media content.

SELECTED WORK & PROJECTS

What Remains — Podcast

Media Team Lead

Leading a five-member team, contributing to content development and production planning, and coordinating the media workflow alongside the team's media-page project.

AI-Assisted Advertisement

Content & Voice Over

Created an advertisement combining voice-over, video production, and AI-assisted content creation; contributed to the concept and creative production.

Jadal — Conscious Discussion Platform

Founder & Team Lead

Developed a discussion-focused platform, built and managed a team, and organized events and interactive experiences around the project.
