

Certificate

OF APPRECIATION

This is to certify that

karim Mohamed algharbawi

The Young Hope Markers Organization Certifies that
Karim Algharbawi volunteered in Social Media Department, specializing in Reels video shooting and editing, for a period of six months .

During her volunteering period, he participated in filming and editing videos for initiatives, educational workshops, and training courses, contributing to the production of professional visual content that effectively reflected the organization's activities.

She also demonstrated the ability to manage and executed the entire production process, taking full responsibility for preparing, filming, and editing the organization's media content with high quality and professionalism.

We extend our sincere appreciation for her efforts and wish her continued success in her professional career.
